

Agenda:

- MVP
 - Recap
- What we've done after MVP
 - Tagging backed
 - UI changes: modal, nicer
 - Basic User profile
 - Started Reporting
 - Started Ratings
- What we're going to do
 - Ratings
 - Item locations
 - Images in items and user profile
 - Testing

Meeting Minutes:

- Display when requests were created
- Suggestion: gravatar, or some user profile gem
- Mapping is a bit of a reach; images doable
- Testing doesn't have to be done by Wednesday
- Graded largely through demo
